

Ima Tuf Lena

IMA TUF LENA is a buckskin stallion who has really proven himself as a sire for us. He is well built, stands 14.3 hands and weighs 1000 pounds. "Tuf" has an exceptional hip and a kind, gentle disposition. He possesses great bone and has strong dark feet.

TUF N BUSY, an own son of BUENO CHEX, has been to the World Show several times. He was fourth in Senior Heeling. He has his Superior in reining, heading and heeling. TUF N BUSY has sired five world champions. Four in the youth division - two in heading and two in heeling. In 2001, he sired the World Champion Junior Heeling Horse at the AQHA World Show.

Tuf was not shown due to an injury, but when he was ridden and in training he showed great promises. He is extremely athletic, quick to learn and these are traits he has passed on to his offspring. Tuf was in training with JD Yates of Pueblo, CO. His father, Dick Yates, was quoted as saying, "We were sorry to lose that colt as a prospect, he had a lot of talent" - a strong statement for as many good horses as these guys have been around. JD Yates showed a daughter of Tuf in 2009, IMA TUF MISSY. IMA TUF MISSY was the AQHA High Point Junior Horse with 388 points in seven events. She qualified for the World Show in five events, and won Reserve World Champion Head Horse. In 2010 she received her ROM in Performance Halter. In 2011 she won the Congress in Ohio, and at the 2012 Sun Circuit in Arizona she was the high point all around horse and won over 80 points and a saddle. She has over 580 total AQHA points. She was the 2012 Reserve World Champion Head Horse. She also became an AQHA Champion in 2015. She is now making a name for herself on the Brazilian Show Circuit. We have three full sisters coming up for the broodmare band. The Tuf colts make great-minded ride horses with a lot of athleticism and cow. Tufs daughters are in production and are proving themselves to be exceptional mothers.

Tuf has a lot of offspring in the roping arena. They are making great rope horses and have all of the ingredients to compete at a very high level. Tuf has become a popular sire for us as we have as many repeat buyers for his colts as any stallion we own. Four times his weanlings have topped the sale. We are glad people are enjoying his offspring.
