Once In A Play Boon - Summer 2023

An outstanding bay roan stud sired by the great ONCE IN A BLU BOON and out of the great mare PLAYGUNS MELODY. When we got the chance to buy another colt out of this mare, we jumped at it. She was truly one of the great mares in the industry. ONCE IN A PLAY BOON, or "Tyson", is an extremely heavy boned horse with good thickness. We have ridden him here on the ranch and he has a laid back attitude and really loves people. He is extremely cowy and eager to do anything you ask.

ONCE IN A BLU BOON has winnings of \$319,002, and has sired offspring of almost \$10 million. ONCE IN A BLU BOON and ONE TIME PEPTO are PEPTOBOONSMAL's highest earning

offspring. ONCE IN A BLU BOON is the sire of ALL SPICE (\$384,304) 2020 NCHA Futurity Champion; HERE COMES THE BOON (\$246,200) 2019 NRCHA Futurity Champion; and BAD BOON RISING (\$367,101) 2018 NCHA Futurity Reserve Champion. ONCE IN A BLU BOON is one of the leading sires in the cutting and reined cow horse worlds.

PLAYGUNS MELODY is the daughter of PLAYGUN. PLAYGUN is an all-time leading cutting and reined cow horse sire since 2003. PLAYGUN has influenced multiple disciplines and is a name that resonates with people of the western performance horse industry. He is an out-cross for many of today's popular performance horse bloodlines, and we are glad to bring him into our program through one of his greatest daughters. We think you will like the colts we are offering out of "Tyson." These colts are all out
