It is with great pride that we welcome you to our 28th annual production sale. We are very excited and proud of the horses we are offering for sale. The Weaver family has a long tradition of raising horses. The family came to Montana in 1888 and have been breeding and raising horses for over 130 years. Our brand, X A, was recorded in the Weaver name in 1888 and our grandchildren are the sixth generation to ride horses with this brand.

We feel very fortunate to be a part of a business that we love so much. We take great pride in our broodmares and the colts they produce for you, the buying public. We try to raise a horse that is versatile enough for any job you have for him or her. All of the weanlings will be halter broke and registered with the AQHA. All Weaver horses are eligible for the AQHA Ranching Heritage Challenge. A big thank you to our customers as we look forward to seeing and visiting with you on sale day.

The year of 1912 was the year the Titanic hit an iceberg, the Girl Scouts was founded, Teddy Roosevelt was the President and the first Torgerson's store was established in Ethridge, Montana. Lured to Montana with the promise of land, Reier and Betsy Torgerson left Norway and settled on land still owned by the family today. The original Torgerson's business sold home appliances, trucks and airplanes and customers were called on by horse and buggy. Trucks have replaced the horse and buggy and Torgerson's now sells and services AG, Construction, Rental and Forestry equipment with fourteen locations throughout Montana and Wyoming. Helping to revolutionize agriculture in the last fifteen years with modern technology, Torgerson's keeps in the forefront of customer needs. We offer state of the art equipment and facilities with precision farming technology and consulting, parts and service support that helps our customers succeed and customer service that exceeds expectations.

Our agronomy precision specialists and global agri trend consulting allows for the improvement of all farming processes. Our business model provides steady and wise market growth to better support and serve our customers. We support our customers in state of the art facilities blending our history with the cutting edge technology of today.

Torgerson's stays on the cutting edge by offering the world's most advanced equipment and technology. Here at Torgerson's, we value the ability to learn and grow on a continuous basis and are committed to providing career development through internship and scholarship opportunities.

From the hard working farm values of 1912 to the precision farming of today, we are committed to delivering the total package and earning the loyalty of our customers. Our core values of passion, integrity, teamwork, commitment, resourcefulness, respect and quality define us as we help today's farming and agricultural industry. A Dedication: Ian Tyson

1933 - 2022

My friend Ian Tyson has been a part of our horse program for many, many years. Hardly a day goes by when an Ian Tyson song isn't played in the truck, in the house or out at the barn. I have listened to Ian on cold mornings feeding horses, before heading out to check mares during the foaling season, and especially during the time of our catalog production while writing footnotes. At Weaver Quarter Horses, we all have our favorite Ian Tyson song, we know the words to the rest, and those melodies have been a part of this operation through all types of ranch work and our love for the horses we raise. In dedication to Ian Tyson, I have used lines from his songs in the footnotes to describe this year's horses offered for sale. The song lyrics come from all of his great albums across the years, and I hope you see some of your favorites here.

Ian Tyson was a great musician and song writer, but most of all, he was a cowboy who liked riding a good horse. We dedicate this catalog to the memory of the great Ian Tyson, and may you, our friends, also find a good horse in the lines of a song.

Smart Topaz

SMART TOPAZ - Picture taken August 1st, 2023 after pasture breeding 21 mares

WR This Cats Smart

SMART TOPAZ is an outstanding young stallion that came from the 6666's Ranch of Guthrie, Texas. He was hands down their top colt of 2015 and we feel very fortunate to own him. We have ridden "Topaz" on the ranch, he is extremely athletic, very willing and cowy.

His sire, WR THIS CATS SMART, is one of High Brow Cats top sons. He has won \$236,514 in cutting and was the NCHA Open Finals Champion. His offspring have earnings of over \$17 million. WR THIS CATS SMART is the number two all-time sire in NRCHA, and the number three all-time ranch horse sire. He is a very versatile sire and you are now seeing a lot in the roping pen. His mother, PADDYS TOPAZ is one of the 6666's top mares. She is the granddaughter of the great mare CASEY'S LOVELADY, inducted into the 2017 AQHA Hall of Fame. She is the mother to their new stallion, JESSES TOPAZ, one of the truly great young sires of the breed. SMART TOPAZ has become very popular with our customers here at Weaver Quarter Horses. He sires colts with a lot of bone and size, plus his good looks and athleticism. He himself has tremendous bone and size (he measured 15.3 hands on his 3rd birthday). His offspring are winning in the NRCHA and roping pens. I look forward to this year's colt crop getting out and performing. We have his daughters in production now, and there are some colts out of them in the sale this year. We are excited to see what they will bring to our program. We are expecting great things from this young sire. All offspring eligible for the Riata Buckle. 5 Panel N/N

ORIGINALLY SMOOTH is an extremely good looking buckskin stud that we purchased from Copper Spring Ranch in Bozeman, Montana. He looks more like his sire everyday. We like "MARCO'S" pedigree with lots of speed and a shot of cow. Marco is sired by A SMOOTH GUY, one of FRENCHMANS GUYS top sons. A SMOOTH GUY is a leading sire of horses sold in 2015, 2016 and 2017. He also won AQHA points in heading and heeling. And he is siring winners of over \$3 million with \$930,000 in 2021 alone. Offspring won more than \$170,000 at the first Riata Buckle. He is the sire of SMOOTH N FAMOUS, a multiple Futurity finalist and earnings to date of \$160,000 and A SMOOTH MOVIN GUY, the 2018 Reserve Champion in Old Fort Days Futurity. His colts are competing in all disciplines, including breakaway roping. A SMOOTH GUY is known for siring level-headed horses that are easy to train. "Marco" sure fits the mold, as he is intelligent and willing to learn. He has also shown a lot of athleticism when ridden.

"Marco's" dam, THE ORIGINAL SIN, has a SI of 89 and race earnings of over \$9,860. She is the mother to four starters with earnings of over \$12,000. She is an own daughter of FIRST DOWN DASH SI of 105 with race earnings of \$857,256. His maternal Grandsire was AQHA three-year-old Champion, RARE FORM, SI 120 with Equi Stat barrel racing earnings of \$107,244. This is an excellent set of colts by "Marco" with something for everyone. He sires colts with excellent hips and great eye appeal. "Marco's" colts are always eye-pleasing and are well received by customers. We are riding his colts now and they are all we thought they would be. His first daughters have weanlings in the sale this year, and these broodmares will be a great addition to our program. All ORIGINALLY SMOOTH offspring are eligible for the Riata Buckle.

Bet Hesa Echo Cat

BET HESA ECHO CAT - Picture taken August 1st, 2023
after pasture breeding 20 mares

I am really high on this horse, he possesses a lot of the qualities I like to see in a stallion. He is strong, powerful, and cowy and has a want-to-please attitude. We are thrilled with his colts; they possess his athletic ability and have been extremely good to work with. "Charlie" sires colts with extremely good bone and size. Their quiet demeanor and want-to-please attitude are making them very popular. BET HESA ECHO CAT is a colt we bought at the 2018 NRCHA Futurity Sale, and is a big, strong red roan stallion by BET HESA CAT. BET HESA CAT is one of the hottest Snaffle Bit Futurity

sires going today and this colt is also out of an own daughter of NRCHA Snaffle Bit Futurity Champion BOONLIGHT DANCER.

BET HESA CAT has NCHA earnings of \$267,465 and was a NCHA Open World Champion. One of only three stallions in history to sire an NRCHA Open Snaffle Bit Futurity Champion and Reserve Champion in the same year. He is a leading sire of NRCHA money earners. Sire of

offspring with earnings in excess of \$7 million. His mother ECHO NTHE BOONLIGHT is a NCHA money earner and a daughter of BOONLIGHT DANCER, LTE \$136,236, 2001 NRCHA World Champion Open Snaffle Bit Futurity, with offspring earnings of \$1.5 million. We are excited for what this stallion brings to our program with his great working cow horse pedigree. I am really proud of this set of colts by BET HESA ECHO CAT, I know you will like them. His colts just get better each year. 5 Panel N/N

Genuinely Busy

GENUINELY BUSY is a really well-muscled, good looking son of TUF N BUSY. He is that pretty golden buckskin color. We purchased GENUINELY BUSY from Terri White and she was also the owner of TUF N BUSY. This was the colt she kept to replace TUF N BUSY, and we feel very fortunate to be able to own a horse of this caliber. It just doesn't get any better - not only does he have a great cow horse pedigree, he also has the color, looks and ability to back it up.

GENUINELY BUSY is an own son of TUF N BUSY and TUF N BUSY's offspring have won over 3,740 AQHA points, 27 ROM winners, mostly in roping events; and he has sired 46 point earners out of 236 foals sired. Plus, they have won at all levels of roping from Amateur to PRCA with earnings in NCHA, NRHA and NRCHA.

GENUINE LEIGH WRIGHT was an outstanding calf roping horse and was hauled in the PRCA. She is an own daughter of LENA'S WRIGHT ON. He has a LTE of \$109,995 and won the NRHA futurity as a three-year-old and was an AQHA World Champion Working Cow Horse as a five-year-old. He is the sire of NRHA and NRCHA money earners as well as an AQHA Champion. This is our 11th crop by GENUINELY BUSY. We are extremely proud of how his colts are breaking out and riding. Everyone that rides a "RICKY" colt loves their attitude and easy-to-get-along with demeanor. We get a lot of repeat buyers with the GENUINELY BUSY colts, just like we did with the IMA TUF LENA colts. That says a lot for the TUF N BUSY bloodlines. His colts are really starting to excel in the roping pen. I couldn't be happier with "RICKY" He sires colts with a lot of cow, athletic ability but most of all, they are extremely good minded and very trainable for any venue. His daughters are just coming into production and I am very pleased with their colts. We have excellent frozen semen available on GENUINELY BUSY, and his offspring are eligible for the Riata Buckle.

PC Laughin Judge

**PC LAUGHIN JUDGE -
Summer 2023**

PC LAUGHIN JUDGE, a big, powerful gray horse that is an own son of JUDGE CASH. He brings a big-time rodeo pedigree to our program, and we are happy to add him to the stallion lineup. This is his third crop of colts, and we are eager to watch his colts grow up. They are showing good size and willing attitudes. "JUD" possesses good

bone and feet. He sires colts with excellent bone, and withers, and many of them have his gray color. It will be exciting when these colts hit the rodeo scene. The JUDGE CASH/SUN FROST cross is really starting to win in the barrel racing and the roping pen.

JUDGE CASH has race earnings of \$115,936 and SI 110. He has sired race

earners of over a million dollars and barrel race earning of over \$2 million, four NFR Qualifiers, including the 2010 AQHA/PRCA Horse of the Year, QUICK JUDGE.

His dam, PC LAUGHIN CAJUN, combines the very best of Stanley Johnston/Pat Cowan breeding. BOON DOX JOHN horses are known for being great rodeo horses, and possess the mind to be able to handle it. I really like the BOON DOX JOHN bred horses, if you look back at the studs I used over the years, you will see many trace to this great sire, all from the mare side. He also has two shots of SUN FROST and traces to the great LAUGHING BOY. It would be hard to write a better rodeo pedigree. PC DOX CAJUN, a circuit champion sire and PC MISS SAN BARS, producer of several rodeo winners, was a full sister to the great PC LAUGHIN SUNDUST - both are $\frac{3}{4}$ siblings to FRENCHMANS GUY. Once you see Jud's colts, we know you will be excited about this young sire as we are. 5 Panel N/N

One Gun At A Time

A well-bred cow horse pedigreed stud we bought from Wagonhound Ranch of Douglas, Wyoming. An own son of the \$21.7 million dollar sire ONE TIME PEPTO, has accumulated winnings of \$331,096 and won the 2005 Super Stakes Open Championship and the 2006 Augusta 5/6 year-old Open Classic Championship and the 2006 Abilene Spectacular Open Classic Championship among others. ONE TIME PEPTO is the number one sire of Reined Cow Horses and the number five sire of Cutting Horses. The mare family is outstanding. Dustin Ewing will tell you that PLAYGUNS MELODY is Wagonhound's best mare. She is own daughter of the \$9.5 million dollar sire PLAYGUN, and her offspring have earnings of \$254,742. The Wagonhound ranch had the misfortune of losing this excellent mare this year. ONE TIME MELODY, a full sibling to ONE GUN AT A TIME, was a Top Ten Finisher in the Reno Open Futurity. PLAYGUNS PEPTO, another full sibling, was the Tri-State AQHA Ranching Heritage Four-Year-Old Open Working Ranch Horse Champion. STRESSIN, "Gunner's" grand-dam, is the mother of money earners of \$707,466.

One cannot write a better cow horse pedigree. "GUNNER" is a big, strong horse that stands 15.1" and received a year of reined cow horse training. My kids will tell you he is the most athletic stallion we have ever owned, which is saying a lot. We feel very fortunate to own him. We all share the excitement what "GUNNER" brings to our program. To say we are ecstatic about his colt's is an understatement. This is a tremendous set of weanlings he has sired that are in the sale. We know you will like the colts that we are offering this year, and the kids can't wait to ride them. 5 Panel N/N

Once In A Play Boon

Once In A Play Boon - Summer 2023

An outstanding bay roan stud sired by the great ONCE IN A BLU BOON and out of the great mare PLAYGUNS MELODY. When we got the chance to buy another colt out of this mare, we jumped at it. She was truly one of the great mares in the industry. ONCE IN A PLAY BOON, or "Tyson", is an extremely heavy boned horse with good thickness. We have ridden him here on the ranch and he has a laid back attitude and really loves people. He is extremely cowy and eager to do anything you ask.

ONCE IN A BLU BOON has winnings of \$319,002, and has sired offspring of almost \$10 million. ONCE IN A BLU BOON and ONE TIME PEPTO are PEPTOBOONSMAL's highest earning

offspring. ONCE IN A BLU BOON is the sire of ALL SPICE (\$384,304) 2020 NCHA Futurity Champion; HERE COMES THE BOON (\$246,200) 2019 NRCHA Futurity Champion; and BAD BOON RISING (\$367,101) 2018 NCHA Futurity Reserve Champion. ONCE IN A BLU BOON is one of the leading sires in the cutting and reined cow horse worlds.

PLAYGUNS MELODY is the daughter of PLAYGUN. PLAYGUN is an all-time leading cutting and reined cow horse sire since 2003. PLAYGUN has influenced multiple disciplines and is a name that resonates with people of the western performance horse industry. He is an out-cross for many of today's popular performance horse bloodlines, and we are glad to bring him into our program through one of his greatest daughters. - I named three fillies this year from Gordon Lightfoot's songs. They are Weavers Cotton Jenny #48, Weavers Sundown #49 and Weavers Beautiful #77. I went to college in the '70's. Gordon was a big part of my life then. I listened to him on my drives back and forth to school (Spokane WA, Gonzaga University) and in the dorm. It is my tribute to a great musician, composer and entertainer. Gordon had a special way of writing and singing a song.

This good filly completes my trilogy of Gorden Lightfoot songs. She sure lives up to her name. Take the time to listen to the words of this truly great song; it will move you, I know. Mother to the beautiful filly is a good-producing Cowboys Frenchman daughter. She may be my favorite. She is a big strong mare with a good hip and bone. When you take this filly to a branding, I know you will get a lot of comments, and everyone will want to buy her.

"I came home to find you gone on a cold gray morning, I remember now that's the way that you said it would be."
