It is with great pride that we welcome you to our 23rd annual production sale. We are very excited and proud of the horses we are offering for sale. The Weaver family has a long tradition of raising horses. The family came to Montana in 1888 and have been breeding and raising horses for 130 years. Our brand, A^X, was recorded in the Weaver name in 1888 and our grandchildren are the sixth generation to ride horses with this brand.

We feel very fortunate to be a part of a business that we love so much. We take great pride in our broodmares and the colts they produce for you, the buying public. We try to raise a horse that is versatile enough for any job you have for him or her. All of the weanlings will be halter broke, micro-chipped, and registered with the AQHA. All of our horses are eligible for the AQHA Ranching Heritage Challenge. A big thank you to our customers as we look forward to seeing and visiting with you on sale day.

Genuinely Busy

GENUINELY BUSY is a really well-muscled, good looking son of TUF N BUSY. He is that pretty golden buckskin color. We purchased GENUINELY BUSY from Terri White and she was also the owner of TUF N BUSY. This was the colt she kept to replace TUF N BUSY, and we feel very fortunate to be able to own a horse of this caliber. It just doesn't get any better - not only does he have a great cow horse pedigree, he also has the color, looks and ability to back it up.

GENUINELY BUSY has a great cow horse pedigree. An own son of TUF N BUSY and TUF N BUSY'S offspring have won over 3,740 AQHA points, 27 ROM winners, mostly in roping events; and he has sired 46 point earners out of 236 foals sired. Plus, they have won at all levels of roping from Amateur to PRCA with earnings in NCHA, NRHA and NRCHA.

Tuf N Busy

GENUINE LEIGH WRIGHT is an outstanding calf roping horse and is currently being hauled in the PRCA. She is an own daughter of LENA'S WRIGHT ON. He has a LTE of \$109,995 and won the NRHA futurity as a three-year-old and was an AQHA World Champion Working Cow Horse as a five-year-old. He is the sire of NRHA and NRCHA money earners as well as an AQHA Champion. This is our sixth crop by GENUINELY BUSY. We are extremely proud of how his colts are breaking out and riding. I am riding a four-year-old that is a near perfect ranch horse - cowy, good-minded and wants to please. I couldn't be happier with "Ricky." His colts are just starting to hit the roping pen, and that is where they are going to shine. He sires colts that have a lot of cow and that trainable mind.

Ima Tuf Lena

IMA TUF LENA is a buckskin stallion who has really proven himself as a sire for us. He is well built, stands 14.3 hands and weighs 1000 pounds. "Tuf" has an exceptional hip and a kind, gentle disposition. He possesses great bone and has strong dark feet.

TUF N BUSY, an own son of BUENO CHEX, has been to the World Show several times. He was fourth in Senior Heeling. He has his Superior in reining, heading and heeling. TUF N BUSY has sired five world champions. Four in the youth division - two in heading and two in heeling. In 2001, he sired the World Champion Junior Heeling Horse at the AQHA World Show.

Tuf was not shown due to an injury, but when he was ridden and in training he showed great promises. He is extremely athletic, quick to learn and these are traits he has passed on to his offspring. Tuf was in training with JD Yates of Pueblo, CO. His father, Dick Yates, was quoted as saying, "We were sorry to lose that colt as a prospect, he had a lot of talent" - a strong statement for as many good horses as these guys have been around. JD Yates showed a daughter of Tuf in 2009, IMA TUF MISSY. IMA TUF MISSY was the AQHA High Point Junior Horse with 388 points in seven events. She qualified for the World Show in five events, and won Reserve World Champion Head Horse. In 2010 she received her ROM in Performance Halter. In 2011 she won the Congress in Ohio, and at the 2012 Sun Circuit in Arizona she was the high point all around horse and won over 80 points and a saddle. She has over 580 total AQHA points. She was the 2012 Reserve World Champion Head Horse. She also became an AQHA Champion in 2015. She is now making a name for herself on the Brazilian Show Circuit. We have three full sisters coming up for the broodmare band. The Tuf colts make great-minded ride horses with a lot of athleticism and cow. Tufs daughters are in production and are proving themselves to be exceptional mothers.

Tuf has a lot of offspring in the roping arena. They are making great rope horses and have all of the ingredients to compete at a very high level. Tuf has become a popular sire for us as we have as many repeat buyers for his colts as any stallion we own. Four times his weanlings have topped the sale. We are glad people are enjoying his offspring.

PERKSTER is an extremely well built and heavy-boned palomino stallion that is really proving himself. We think you will like this set of colts, they have the size, bone and thickness to become very popular with those of you that like good using horses. They are a very uniform set of colts. PERKSTER has proven genetics. He is an own son of DASH FOR PERKS, a leading barrel horse and arena sire with winnings in excess of \$4,000,000. DASH FOR PERKS has sired several top barrel horses including LADY PERKS with winnings of \$217,000; and CASH FOR PERKS with winnings in excess of \$100,000. His dam represents some of the best of the Cowan Ranch. She is a full sister to PC BOSTON BOB, a proven arena sire. BOSTON BOB was the sire to several Badland Circuit Horses of the Year. The BOON DOX JOHNS are proven rodeo horses and are known for their good minds. STELLA FROST may have been DOC'S JACK FROST greatest broodmare daughter.

PERKSTER is a proven sire of rodeo and ranch horses. PERKSTER has so much style and conformation, and we are so happy with how his colts have been growing out. With his pedigree, ability to breed color and his calm, easy-going manner, PERKSTER has been an amazing addition to our program. PERKSTER'S colts are eligible for the BBI, 5-State Breeders Futurity, and Future Fortunes.

SMART TOPAZ is an outstanding young stallion that came from the 6666's Ranch of Guthrie, Texas. He was hands down their top colt of 2015 and we feel very fortunate to own him. We have ridden "Topaz" on the ranch, he is extremely athletic, very willing and cowy,

His sire, WR THIS CATS SMART, is one of High Brow Cats top sons. He has won \$236,514 in cutting and was the NCHA Open Finals Champion. His offspring have earnings of over 9 million. He was the #1 leading sire of Reined Cow Horses in 2017 and 8th in the nation in Cutting in 2017. He is a very versatile sire and you are now seeing a lot in the roping pen. His mother, PADDYS TOPAZ is one of the 6666's top mares. She is the granddaughter of the great mare CASEY'S LOVELADY, inducted into the 2017 AQHA Hall of Fame. Every one of her stud colts have been retained for stallion prospects and the 6666's Ranch has retained all of her daughters. She is the mother to their new stallion, JESSES TOPAZ. One of the truly great young sires of the breed. SMART TOPAZ will become a Weaver Quarter Horse mover as well. He has tremendous bone, size (he measured 15.3 hands on his 3rd birthday), and remarkable athleticism. We are expecting great things from this young sire.

Originally Smooth

ORIGINALLY SMOOTH is an extremely good looking buckskin stud that we purchased from Copper Spring Ranch in Bozeman, Montana. He looks more like his sire everyday. We are really excited about "Marco" and what he brings to the program. We really like his pedigree with a lot of speed and a shot of cow. Marco is sired by A SMOOTH GUY, one of FRENCHMANS GUY'S top sons. A SMOOTH GUY is a leading sire of horses sold in 2015, 2016 and 2017. He is the sire of SMOOTH N FAMOUS, a multiple Futurity finalist and earnings to date of \$160,000 and A SMOOTH MOVIN GUY, the 2018 Reserve Champion in Old Fort Days Futurity. His colts are competing in all disciplines. A SMOOTH GUY is known

March 23, 2015

for siring level-headed horses that are easy to train. Marco sure fits the mold, as he is extremely smart and willing to learn. He has also shown a lot of athleticism when ridden.

Marco's dam, THE ORIGINAL SIN, has a SI of 89 and race earnings of over \$9,860. She is the mother to four starters with earnings of over \$12,000. She is an own

daughter of FIRST DOWN DASH SI of 105 with race earnings of \$857,256. He maternal Grand sire was AQHA three-year-old Champion, RARE FORM SI 120 with Equi Stat barrel racing earnings of \$107,244. I think you will like the colts out of Marco in this year's sale. All possess his excellent hip and eye appeal. I am really excited about these colts and can't wait until next year when we have a large number of good mares bred to him.

"Cowboy" was a really pretty, palomino stud with that SUNFROST look. We had the misfortune of losing Cowboy last year halfway through the breeding season. His colts are nice to halter break with that trainable mind. His oldest colts for us are four-year-olds and are extremely nice to be around and ride. Cowboy's colts are exceedingly well-minded and trainable, and those who are riding his colts are all very pleased with them. These Cowboy colts will have the mind and performance to take you to any level you want to go. I have several four-year-old fillies that had their first colts this year. Cowboy's colts are doing everything from Mounted Shooting to roping, to barrels. This is the last set of Cowboy colts offered this year and we kept several daughters for the broodmare band.

STREAKN N MOVEN is a well-bred young bay stallion that we own in partnership with Dennis Desmet of Manitoba, Canada. "Streaker" has a good attitude and is extremely easy to handle. This is our first set of colts out of Streaker and we are extremely proud of them. His sire, A STREAK OF FLING has race earnings of over \$26,000 and SI of 98. His offspring earnings were at 2.9 million and is the

number three leading sire of barrel horse money earners.

Streaker's mother is an own daughter of PADDYS IRISH WHISKEY who has become one of the top broodmare sires of performance horses. EASY APRIL BAR is the mother to FRENCHMANS FLIRT, EASY DOES IT (Rachel Myllymaki's NFR qualifying horse), FRENCHMANS EASY DOC and EASY APRIL LENA. This is a tremendous mare line. We feel STREAKN N MOVEN has a great future here at Weaver Quarter Horses. Because we pasture breed all of our mares, we have him on an alternating breeding schedule. Therefore we will not have colts out of Streaker next year in the sale but will have another set in 2020.

Dixie Lena Rose

The mother to this cute bay roan filly is an extremely good-looking mare. One of my best looking younger mares. She will pass this on to her colts - just look at this filly. I showed the mare Heavenly Lena Rose and won the Bear Paw Derby and the Montana Reined Cow Horse Stallion Stakes riding her. She had it all and this filly will too.

Our operation is located 30 miles south of Chinook, Montana on the family ranch in the rugged Bear Paw Mountains. At Treasure State Quarter Horses our goal is to provide performance bred prospects that are born and raised in big country. Our mares foal out in the hills and the colts learn to follow their mothers just as soon as they can stand. Our stallions have exceptional pedigrees and our broodmare band consists of proven performance bloodlines top and bottom with an emphasis on great speed and cow horse pedigrees. This is our 23rd sale and our

breeding program is proven and tested over time allowing us to cultivate a band of broodmares that produce only the best quality, conformation, and trainability. A high percentage of our mares have performance records, are daughters of proven producers that were in our program, or have mothers or full siblings that were performers themselves.

It has been an exciting year for us as the Frenchmans Shake Em colts are competing and winning against the toughest horses in the country. Other prospects that we have raised are doing very well in a number of different events. Barrels, roping, cow horse, versatility ranch horse, mounted shooters, bull dogging, and ranching are just some areas that our horses continue to excel. As always, we invite you to come to the ranch and view the horses and visit us anytime.

FIRST DOWN FRENCHMAN is a gorgeous 15 hands buckskin son of the legendary barrel horse sire FRENCHMANS GUY and out of the great mare EVENING TRAFFIC. When given the opportunity to own this horse we definitely were excited about the prospect of having a son out of both of these exceptional producers. FRENCHMANS GUY is an all-time leading sire in the barrels and Evening Traffic has produced 7 barrel money earners and 2 money earners on the track. EVENING TRAFFIC-progeny earnings of \$320,00 including Morning Traffic who has won over \$120,000 and ran at the NFR with STEVIE HILLMAN. We look forward to First Down Frenchmans' future in our program and we bred some great mares to him for 2018. Foals are eligible for Future Fortunes, BBR SSS, 5 State, VGBRA, Colorado Classic and Glacier Chaser.

Tres My Fame

TRES MY FAME is a 15.1 2012 bay son by leading race and barrel sire TRES SEIS (SI 97 \$856,900 + Earnings) with offspring earnings over 23 million. TRES SEIS has undoubtedly taken the barrel horse world by storm as his get have really started to dominate at most major barrel events. Trey's maternal line is exceptional as well, his dam FAMOUS BLUE EYES is a direct daughter of the great DASH TA FAME and is a 3X's futurity winner with total earnings over \$50,000. Her full brother Bobbie Gene won over \$100,000 in barrel futurities and rodeos alone. Both are out of FLICK CAN DISCO who has four money earning offspring that have won over \$200,000 respectively.

FRENCHMANS SHAKE EM is 15.1 hands and is a powerful, palomino son of ROYAL SHAKE EM. "Shaker" has an exceptional pedigree and possesses the blood of some of the all-time great performance horses like STREAKIN SIX, FIRST DOWN DASH,

FRENCHMANS GUY, and BOON Bar to name a few. ROYAL SHAKE EM has produced over \$7 million in money earners in racing, barrels, and roping including the 2015 PRCA dogging horse of the year owned by Ty Erickson. Shakers' dam FRENCHMANSFANCYFREE has produced multiple money earners and has a versatile pedigree that we like to see in a broodmare. Shaker was a solid 1D futurity horse in the barrels and went on to be competitive and a money earner in the open 1D format. 2018 was a breakout year for Shaker as a producer. His colts have just now

become of age and 6 of his first 7 colts to run are money earners at major barrel futurities across the country and by sale time I think it will be 7 out of 7 as the last one had a late start. Shaker offspring are eligible for Future Fortunes, Triple Crown 100, Glacier Chaser Classis, BBI, BBR Select Stallion Stakes, 5 State, Colorado Classic, Who's Your Daddy, and the VGBRA.

He is a full brother to "Great" the awesome 4-year-old futurity mare that has placed at nearly all the major futurities that she has entered including 3rd place in the first go at the BFA in Oklahoma City. She just barely tipped in the second round to win the average by 3 tenths against the toughest colts in the country. Another full sib is running in the 2D down in Oklahoma as a 5-year-old against extremely tough competition and they have high hopes for her in the future.

Many of the daughters we keep in our mare band are out of proven producing mares. This is a great opportunity to own a colt that goes back to our outstanding mare DASHING TO FAME. She was a top producer and her offspring have earned 200K+ as well as the 2015 PRCA barrel horse of the year. A colt that has it all, genetics, looks, and proven performers top and bottom. Full brother is owned by Kelsey Lutjen and will run in the 2021 futurities.

This filly would be a sale highlight at any auction in the country. She is a full sister to TS Famously Shaken who at the prestigious Greg Olsen Futurity ran a blazing 16.9 on a standard pattern. She was also reserve at Walla Walla and placed at numerous other futurities and has amassed 30K+ in earnings in limited showing. 3 other siblings to this filly are barrel money earners as well, including Monica Gruel's TS Mr Sunpeppy Dash and Paul & Sharon Guenzler's awesome stallion TS Sunnymademefamous. Both horses are winning on the rodeo circuit, and in the 1D at big events. We kept a full sister to this filly for a barrel/broodmare prospect and she will run in the 2019 futurities with Kelsey Lutjen.

AQHA

Ranching Heritage Breeders & Ranching Heritage Challenge Programs

The American Quarter Horse Association is committed to the promotion of the ranch horse. There are programs to help ranchers to market their ranch-bred American Quarter Horses and opportunities for ranch-bred horses to be showcased in competition.

Ranching Heritage Breeders Program

Ranching Heritage Breeders are AQHA member-owned ranches and individuals who represent longevity, honesty and integrity in raising quality American Quarter Horses and uphold ranching heritage traditions. Ranching Heritage Breeders must own at least five AQHA-registered mares used to produce ranch horses and must maintain a remuda of horses used to operate a working cattle operation. The ranch also must have received an AQHA 10-year breeder award to be eligible for the program. The horses that come from Ranching Heritage Breeders uphold the tradition and heritage of the working cattle ranch and when horses are purchased from a Ranching Heritage Breeder, that great tradition continues.

Zoetis AQHA Ranching Heritage Challenge

The Zoetis AQHA Ranching Heritage Challenge is a way to showcase ranch-bred American Quarter horses. The Challenges offer multiple divisions for various ages and skill levels for both horse and rider. Classes include working ranch horse, ranch riding, team roping and barrel racing. To be eligible, horses must have been bred by a Ranching Heritage Breeder, plus all payments – weanling, yearling, 2-year-old and 3-year-old – must be complete in order to compete. Those payments generate the purses for Ranching Heritage Challenge events. There’s more than \$90,000 up for grabs at this year’s six events, plus there will be a Zoetis RHC Finals held in conjunction with the 2018 Zoetis Versatility Ranch Horse World Championship Show at the Lazy E Arena in Guthrie, Oklahoma.

For more information visit aqha.com/ranching.

American Quarter Horse Association Executive Committee

Though AQHA operates primarily upon the decisions of its members through the board of directors, the five-person executive committee is responsible for implementing these important decisions and governing AQHA between the annual meetings of the membership and the board.

The AQHA Executive Committee - consisting of a president, first vice president, second vice president and two additional members - is elected each year by the board at the AQHA Convention. Each member serves a term of one year until the selection of his/her successor. The executive committee convenes bimonthly at AQHA International Headquarters in Amarillo to conduct business and consider all disciplinary matters.

Weaver Quarter Horses

Dear Friends,

We would all like to welcome you to our 23rd Annual Production Sale. We are so glad you are here and really appreciate your interest in our horses, as well as your continued patronage over the years. 2018 marks the 130th year the Weaver family has been raising horses in Montana.

KellyAnne and Casey still live in Lewistown, MT. KellyAnne took a position as the General Manager of The Calvert Hotel. Casey continues to manage a ranch in the Snowy Mountains. Wyatt (15) once again worked all summer on the ranch and we always enjoy having him here. Wyatt will do any job you ask of him and always does it well. Wyatt looks forward to hunting season each year. He is in wrestling during school, and will be a sophomore this year. Avery (13) will be in 8th grade this year and loves to spend her free time hours with friends. Avery plays school and club volleyball, and participates in cheerleading and dance. David and Stacie still live in Bozeman, MT where David works as a bail bondsman. Wesley (21 months) loves to be outside and around the animals. He enjoys his time with his cousins at the ranch and helping Grammy in her secret garden. Hailey (14) spent the summer with David and they got to do lots of fun activities around the state - especially fishing! David comes back to the ranch to help out and to halter break the colts. Daniel leases a hay place at Denton, Mt and works at the ranch runing cattle, farming and helping out with the horses. Daniel and Danielle got marrid in 2017 and live in Big Sandy where Dr. Danielle is the pharmacist. They split thier time between town and the ranch.

This is my fourth year on the AQHA Executive Commitee, and next year I will be President of the AQHA, an honor I am looking forward to. If any of you have comments or concerns regarding the AQHA I invite you to get a hold of me. I am glad to have a supportive family because I am traveling a lot at this time. As I write this we are getting ready for a trip to the European National Championships in Munich, Germany. Nancy, Daniel and Danielle will be joining me. Nancy travels most of the time with me and David and KellyAnne will help out Daniel when they are needed. I still really enjoy my time with the mares and colts, and all that the breeding operation entails. I like to see the next generation of Weaver Quarter Horses on the ranch each year. Nancy maintains her role of being active in the community and continues to serve on the Central Montana Medical Center Advisory Board and the Montana Cowboy Poetry Gathering and Western Music Rendezvous. I look forward to visiting with old friends and new at this year's sale. Hearing from the customers each year is my favorite part of this whole business. May God bless each and every one of you! See you soon!
