It is with great pride that we welcome you to our 24th annual production sale. We are very excited and proud of the horses we are offering for sale. The Weaver family has a long tradition of raising horses. The family came to Montana in 1888 and have been breeding and raising horses for 130 years. Our brand, ^X/_A, was recorded in the Weaver name in 1888 and our grandchildren are the sixth generation to ride horses with this brand.

We feel very fortunate to be a part of a business that we love so much. We take great pride in our broodmares and the colts they produce for you, the buying public. We try to raise a horse that is versatile enough for any job you have for him or her. All of the weanlings will be halter broke, micro-chipped, and registered with the AQHA. All of our horses are eligible for the AQHA Ranching Heritage Challenge. A big thank you to our customers as we look forward to seeing and visiting with you on sale day.

Genuinely Busy

GENUINELY BUSY is a really well-muscled, good looking son of TUF N BUSY. He is that pretty golden buckskin color. We purchased GENUINELY BUSY from Terri White and she was also the owner of TUF N BUSY. This was the colt she kept to replace TUF N BUSY, and we feel very fortunate to be able to own a horse of this caliber. It just doesn't get any better - not only does he have a great cow horse pedigree, he also has the color, looks and ability to back it up.

GENUINELY BUSY has a great cow horse pedigree. An own son of TUF N BUSY and TUF N BUSY'S offspring have won over 3,740 AQHA points, 27 ROM winners, mostly in roping events; and he has sired 46 point earners out of 236 foals sired. Plus, they have won at all levels of roping from Amateur to PRCA with earnings in NCHA, NRHA and NRCHA.

GENUINE LEIGH WRIGHT is an outstanding calf roping horse and is currently being hauled in the PRCA. She is an own daughter of LENA'S WRIGHT ON. He has a LTE of \$109,995 and won the NRHA futurity as a three-year-old and was an AQHA World Champion Working Cow Horse as a five-year-old. He is the sire of NRHA and NRCHA money earners as well as an AQHA Champion. This is our seventh crop by GENUINELY BUSY. We are extremely proud of how his colts are breaking out and riding. I am riding a five-year-old that is a near perfect ranch horse - cowy, good-minded and wants to please. I couldn't be happier with "Ricky." His colts are just starting to hit the roping pen, and that is where they are going to shine. He sires colts with a lot of cow and that trainable mind. 5 Panel N/N

Ima Tuf Lena

IMA TUF LENA is a buckskin stallion who has really proven himself as a sire for us. He is well built, stands 14.3 hands and weighs 1000 pounds. "Tuf" has an exceptional hip and a kind, gentle disposition. He possesses great bone and has strong dark feet.

TUF N BUSY, an own son of BUENO CHEX, has been to the World Show several times. He was fourth in Senior Heeling. He has his Superior in reining, heading and heeling. TUF N BUSY has sired five world champions. Four in the youth division - two in heading and two in heeling. In 2001, he sired the World Champion Junior Heeling Horse at the AQHA World Show.

Tuf was not shown due to an injury, but when he was ridden and in training he showed great promise. He is extremely athletic, quick to learn and these are traits he is passing on to his offspring. JD Yates showed a daughter of Tuf in 2009, IMA TUF MISSY. IMA TUF MISSY was the AQHA High Point Junior Horse with 388 points in seven events. She has over 580 total AQHA points. She was the 2012 Reserve World Champion Head Horse, and became an AQHA Champion in 2015. She is now making a name for herself on the Brazilian Show Circuit. We have three full sisters coming up for the broodmare band. The Tuf colts make great-minded ride horses with a lot of athleticism and cow. Tuf's daughters are in production and are proving themselves to be exceptional mothers.

Tuf has a lot of offspring in the roping arena. They are making great rope horses and have all of the ingredients to compete at a very high level. Tuf has become a popular sire for us as we have as many repeat buyers for his colts as any stallion we own. Four times his weanlings have topped the sale. We are glad people are enjoying his offspring.

PERKSTER is an extremely well built and heavy-boned palomino stallion that is really proving himself. We think you will like this set of colts, they have the size, bone and thickness to become very popular with those of you that like good using horses. They are a uniform set of colts. PERKSTER has proven genetics. He is an own son of DASH FOR PERKS, a leading barrel horse and arena sire with winnings in excess of \$4,000,000. DASH FOR PERKS has sired several top barrel horses including LADY PERKS with winnings of \$217,000; and CASH FOR PERKS with winnings in excess of \$100,000. His dam represents some of the best of the Cowan Ranch. She is a full sister to PC BOSTON BOB, a proven arena sire. BOSTON BOB was the sire to several Badland Circuit Horses of the Year. The BOON DOX JOHNS are proven rodeo horses and are known for their good minds. STELLA FROST may have been DOC'S JACK FROST greatest broodmare daughter.

PERKSTER is a proven sire of rodeo and ranch horses. PERKSTER has so much style and conformation, and we are so happy with how his colts have been growing out. With his pedigree, ability to breed color and his calm, easy-going manner, PERKSTER has been an amazing addition to our program. PERKSTER'S colts are eligible for the BBI, 5-State Breeders Futurity, and Future Fortunes. 5 Panel N/N

Smart Topaz

SMART TOPAZ - Picture taken August 1, 2019 after pasture breeding 18 mares.

WR This Cats Smart

SMART TOPAZ is an outstanding young stallion that came from the 6666's Ranch of Guthrie, Texas. He was hands down their top colt of 2015 and we feel very fortunate to own him. We have ridden "Topaz" on the ranch, he is extremely athletic, very willing and cowy,

His sire, WR THIS CATS SMART, is one of High Brow Cats top sons. He has won \$236,514 in cutting and was the NCHA Open Finals Champion. His offspring have earnings of over 9 million. He was the #1 leading sire of Reined Cow Horses in 2017 and 8th in the nation in Cutting in 2017. He is a very versatile sire and you are now seeing a lot in the roping pen. His mother, PADDYS TOPAZ is one of the 6666's top mares. She is the granddaughter of the great mare CASEY'S LOVELADY, inducted into the 2017 AQHA Hall of Fame. Every one of her stud colts have been retained for stallion prospects and the 6666's Ranch has retained all of her daughters. She is the mother to their new stallion, JESSES TOPAZ. One of the truly great young sires of the breed. SMART TOPAZ will become a Weaver Quarter Horse mover as well. He has tremendous bone, size (he measured 15.3 hands on his 3rd birthday), and remarkable athleticism. We are expecting great things from this young sire. 5 Panel N/N

ORIGINALLY SMOOTH is an extremely good looking buckskin stud that we purchased from Copper Spring Ranch in Bozeman, Montana. He looks more like his sire everyday. We are really excited about "Marco" and what he brings to the program. We really like his pedigree with a lot of speed and a shot of cow. Marco is sired by A SMOOTH GUY, one of FRENCHMANS GUY'S top sons. A SMOOTH GUY is a leading sire of horses sold in 2015, 2016 and 2017. And he is siring barrel horse winners of \$586,000. He is the sire of SMOOTH N FAMOUS, a multiple Futurity finalist and earnings to date of \$160,000 and A SMOOTH MOVIN GUY, the 2018 Reserve Champion in Old Fort Days Futurity. His colts are competing

in all disciplines. A SMOOTH GUY is known for siring level-headed horses that are easy to train. Marco sure fits the mold, as he is intelligent and willing to learn. He has also shown a lot of athleticism when ridden.

Marco's dam, THE ORIGINAL SIN, has a SI of 89 and race earnings of over \$9,860. She is the mother to four

starters with earnings of over \$12,000. She is an own daughter of FIRST DOWN DASH SI of 105 with race earnings of \$857,256. His maternal Grandsire was AQHA three-year-old Champion, RARE FORM SI 120 with Equi Stat barrel racing earnings of \$107,244. I think you will like the colts out of Marco in this year's sale. All possess his excellent hip and eye appeal. I am really excited about these colts. 5 Panel N/N

Weavers Playgem

(Gems And Starlight x Budhas Playgun)

WEAVERS PLAYGEM sold as a yearling in the 2010 Sale. Her footnote read:

"A really sharp, good-looking filly. This has been a great cross for us. Mother has produced several well-received colts. This filly will ride with the best of 'em."

And she did. WEAVERS PLAYGEM was the highest placing Ranching Heritage bred horse at the 2018 AQHA World Show. There were three World Champions that were bred by Ranching Heritage Breeders, but the senior heading class had the largest number of entries and that is why she came out on top. We received this bronze for being the breeder of Weavers Playgem. AQHA awards the highest Ranching Heritage bred horse at AQHA shows.

Pretty Miss Denver

A good strong brown stud colt with that rodeo look. He has several full siblings that are doing well for their owner. David calf roped on this colt's mother. She had a wicked stop and would flat get the job done. The way this colt has proven genetics, he will make a top rope horse, and he'll have the mind where your kids could ride him.

Good hipped palomino stud colt. Mother is a good producing daughter of Poco Ima Doc. I have never ridden a colt out of a Poco Ima Doc mare that I didn't like. They always have that people-pleasing attitude. This colt is a full brother to Pete Kyle's horse Weavers Poco Busy.

WEAVERS POCO BUSY -
Owned and Ridden by Pete Kyle, Chief Show Officer AQHA Kyle uses Poco Busy as a utility horse at AQHA shows, everything from moving cows to flagging. Kyle also has been winning on WEAVERS POCO BUSY in team roping. I had the chance to ride him when working cow horse cattle at the Versatility Ranch Horse World Show, and he is a perfect representation of the versatility of our program. Pete Kyle says "This is one of the best minded, most willing horses I have ever ridden. He never says no and is a big strong, physical horse. My entire family enjoys riding him including my 4 year old grandson."

WEAVERS POCO BUSY is a full brother to Lot #16.

Our operation is located 30 miles south of Chinook, Montana on the family ranch in the rugged Bear Paw Mountains. At Treasure State Quarter Horses our goal is to provide performance bred prospects that are born and raised in big country. Our mares foal out in the hills and the colts learn to follow their mothers just as soon as they can stand. Our stallions have exceptional pedigrees and our broodmare band consists of proven performance bloodlines top and bottom with an emphasis on great speed and cow horse pedigrees. This is our 24th sale and our

breeding program is proven and tested over time allowing us to cultivate a band of broodmares that produce only the best quality, conformation, and trainability. A high percentage of our mares have performance records, are daughters of proven producers that were in our program, or have mothers or full siblings that were performers themselves. It has been another exciting year for us as the Frenchmans Shake Em colts continue to win at some of the elite barrel events in the country. Treys My Fame colts are getting old enough to ride and the reports have been outstanding. We continue to get good feedback on other TS horses doing very well in a number of different events including roping, cow horse, versatility ranch horse, mounted shooters, and bull dogging. Please keep us posted about your horses and as always, we invite you to come to the ranch and visit us anytime.

FIRST DOWN FRENCHMAN is a barrel producing buckskin son of the legendary barrel horse sire FRENCHMANS GUY and out of the great mare EVENING TRAFFIC. When given the opportunity to own this horse we definitely were excited about the prospect of owning a son out of both of these exceptional producers. FRENCHMANS GUY is an all-time leading sire in the barrels and Evening Traffic has produced 7-barrel money earners and 2 money earners on the track. Her progeny have amassed earnings nearing \$700k + including First Down Frenchmans' full sister, Morning Traffic(Martini) who has won over \$300K and ran at the NFR with STEVIE HILLMAN. This is First Down Frenchman's 2nd colt crop out of our mares and we feel he is going to make a big impact in our program. His foals are eligible for the Glacier Chaser Classic, 5 State, Colorado Classic, Who's Your Daddy, BBR Select Stallion Stakes, VGBRA, and Future Fortunes.

Tres My Fame

TRES MY FAME is a 15.1 2012 bay son by leading race and barrel sire TRES SEIS (SI 97 \$856,900 + Earnings) with offspring earnings over 23 million. TRES SEIS has undoubtedly risen to the top as a dominant sire in the barrel horse industry. Trey's maternal line is exceptional as well, his dam FAMOUS BLUE EYES is a direct daughter of the great DASH TA FAME and is a 3X's futurity winner with total earnings over \$50,000. Her full brother Bobbie Gene won over \$100,000 in barrel futurities and rodeos alone. Both are out of FLICK CAN DISCO who has four money earning offspring that have won over \$200,000 respectively.

Trey is a money earner in barrels, has an extremely laid-back attitude, and is as trainable as any horse we have been around. His first foal crop is now 3 year olds and they are the same. Feedback on his colts have been really positive as they are athletic, naturally supple, and are incredibly smart. We expect big things out of TRES MY FAME and his offspring. They are eligible for the Glacier Chaser Classic, 5 State, Colorado Classic, Who's Your Daddy, BBR Select Stallion Stakes, VGBRA, and Future Fortunes.

ROYAL SHAKE EM has produced over \$7 million in money earners in racing, barrels, and roping. He is quickly becoming a top broodmare sire of barrel horses as well. Rare Legacy

Another filly out of a mare that we raised that is out of a top producing mare for us. MNV MISS RARE BULLION was a money winner on the track, had an SI of 99, and had a great speed pedigree. PERKS STATUS SYMBOL was a barrel money earner himself and was out of a money earning MR EYE OPENER mare that produced some really nice barrel horses.

This is the second time we bred this mare to First Down Frenchman and she has another big, powerful colt. Streakin From Heaven has a real versatile pedigree with the great "outcross" stallion Playgun and then the legendary sire Streaking Six up close on her papers. She has produced a money earner in reined cow horse making this colt a prospect for just about any performance horse event.

We had a hard time deciding which stud to breed this mare to. She had awesome babies with all 3 of our studs but this First Down Frenchman colt might be the best so far and it's a pretty buckskin to boot. The Judge Cash daughters are proving to be top producers in the barrel horse industry and with his pedigree and conformation I think this colt has a real chance to go on and be a top prospect.

Executive Committee

Though AQHA operates primarily upon the decisions of its members through the board of directors, the five-person executive committee is responsible for implementing these important decisions and governing AQHA between the annual meetings of the membership and the board.

The AQHA Executive Committee - consisting of a president, first vice president, second vice president and two additional members - is elected each year by the board at the AQHA Convention. Each member serves a term of one year until the selection of his/her successor. The executive committee convenes bimonthly at AQHA International Headquarters in Amarillo to conduct business and consider all disciplinary matters.

Members of the 2019-2020 AQHA Executive Committee are, from left: Member Dr. Scott Myers, Sharon Center OH; First Vice President Butch Wise, El Reno, OK; President Stan Weaver, Big Sandy, MT; Second Vice President Norm Luba, Louisville, KY; and Member Ken Banks, Schulenburg, TX.

Weaver Quarter Horses

Dear Friends,

We would all like to welcome you to our 24th Annual Production Sale. We are glad you have been able to attend, and we appreciate the interest you show in our breeding program, as well as your continued patronage over the years. The Weaver family have been raising horses for 131 years, and our grandkids are the sixth generation continuing the legacy.

Our family continues to grow and evolve. KellyAnne and Casey live in Lewistown, Montana. KellyAnne is the General Manager of a boutique hotel, The Calvert Hotel. Casey manages a ranch in the Snowy Mountains. Wyatt (16) spent the summer working at the ranch as well as weekends and vacations. Nancy and I appreciate the interest and love Wyatt has for the ranch. Avery (14) is our social butterfly who will be a freshman this year. She is continuing to play volleyball at a higher level. David and Stacie live in Bozeman, Montana where David works as a bail bondsman. Big year for their family, adopting Jayden (11), and oldest granddaughter, Hailey (15) will live in Bozeman and start high school there. Wesley (2) is our outside boy. He loves animals and to get dirty and Grammy's secret garden where he can pick raspberries and play with his trucks. David and family come back to help out, and halter break the colts. Daniel and Dr. Danielle were blessed with a beautiful baby girl, Eleanor (Ellie) in April, six weeks early. They spent three weeks in NICU before Ellie was able to go home, still on oxygen. At four months, she is past her fragile stage and getting stronger every day. Ellie's smile lights up a room. Daniel has been extra busy with his new family and a record amount of hay. Not to mention, the cattle, farming, horses, and planning around my AQHA commitments. Danielle is back working at Big Sandy Pharmacy.

I am serving my fifth year on the AQHA Executive Committee. It is an honor that I serve as the President, and I don't take it lightly. The Association implemented a new computer system that was a challenge for all staff and members. We are gradually working through problems, and we see some light at the tunnel. I enjoy the time I get to spend at AQHA events, the World Show, and all opportunities to promote the American Quarter Horse. Nancy and I just returned from an AQHA Summit in Australia, involving eight countries which proved successful, and we had a great time meeting other quarter horse owners and ranches. It is impressive to see how the American Quarter Horse has touched people throughout the world.

Nancy is on the board of the Central Montana Medical Center Advisory Board and is working on a fundraiser to acquire a 3D Mammogram unit. She also continues on the board of the Montana Cowboy Poetry Gathering and Western Music Rendezvous. Nancy promotes the Western Lifestyle and history in all she does.

I look forward to visiting with old friends and new at this year's sale. Thank you to our past customers that call and write about their horses; it is my favorite part of this whole business. May God Bless each and every one of you! Happy Trails!
