

Its Woodys Turn

ITS WOODYS TURN

We are excited about the new addition to our stallion battery. "TIMMY" is an own son of WOODY BE TUFF (\$351,000 in NCHA), the \$16+ million dollar sire. In the last year he sired five of the fifteen finalists in the NRCHA Futurity Finals. Sired the winner of two go arounds in the team roping at the National Finals Rodeo and sired the Reserve World Champion at the World's Greatest Horseman. WOODY BE TUFF is the second leading sire of rope horses and the top sire in the NRCHA. Timmy's mother is NO WIMPY TURNS, the great breakaway horse of Shelby Boisjoli-Meged. NO WIMPY TURNS, or "ONNA," is the 2021 and 2023 AQHA/PRCA Breakaway Horse of the Year. Shelby has won over a million dollars on this mare.

Timmy has a complete outcross pedigree as there is no HIGH BROW CAT or PEPTOBOONSMAL. He stands 15'2". He had a year of roping training and we consider ourselves lucky to have been able to obtain him. We have ridden him on the ranch and he is really cowy. Timmy is really laid back and easy to handle. We bred him to our best up and coming young mares for next year and are extremely excited to see his colts next spring.
