IMA TUF LENA has been a mainstay in our sire battery for 20 years. We purchased him as a yearling. There is one weanling sired by "TUF" in this year's sale, Lot #19, and it will be the last weanling of his we will offer. "Tuf" is now retired, and we were fortunate to find a forever home for him with Glenda Arps and Stephanie Smith in Great Falls, Montana. They treat him like royalty, and we are happy for "Tuf."

IMA TUF LENA possessed the looks, bone, and pedigree to be a popular sire. We got more repeat buyers for "Tuf" colts every year. That in itself speaks volumes.

IMA TUF LENA'S contribution to our remuda is the large number of daughters that we have retained for the broodmare band. As you go through the catalog, you will see many of them. They are good producers, maternal, good milkers, and give their colts that people-pleasing attitude. "Tuf's" daughters produce the thick, good-looking kind.

IMA TUF LENA was honored in 2019 as the Montana Quarter Horse Association Broodmare Sire of the Year. I tip my hat to an excellent sire that left his mark on our program.
